

INFORMATION LETTER

Yessenov University invites you to participate in the international scientific and practical online conference «**Caspian region: new challenges, new opportunities**», dedicated to the day of science workers.

Date: 23th of April 2021

Location: Aktau city, Yessenov University

Working languages: Kazakh, Russian and English.

The main goal is to create a platform for discussion and analysis of problems in priority areas of science and education in the Caspian region, exchange experience, establish scientific ties and contacts between domestic and foreign researchers, as well as support socially significant initiatives.

Tasks:

1. Discussion of a wide range of issues related to the further development of relations between the Caspian countries;
2. Analysis and evaluation of scientific research in the field of international trade and economic cooperation of the Caspian States;
3. Determining the prospects for legal regulation of relations between the Caspian countries in the context of international integration;
4. Consideration of the Caspian region as a zone of tourism, logistics and economic development;
5. Discussion of topical issues aimed at ensuring high-quality economic growth, development of the tourist complex and international economic relations.

Participants of the conference: scientists of Universities of Kazakhstan, near, far abroad, scientists, representatives of business structures.

The online conference will be held in the following areas:

№	Name of the conference section	Secretary to the Editorial Panel	e-mail	Contact details
1	Financial and economic relations and international cooperation with the Caspian countries	Petrossyanc T.V.	tatyana.petrossyanc@yu.edu.kz	+7 705 201 43 18
